

SUMMER 1 SESSION

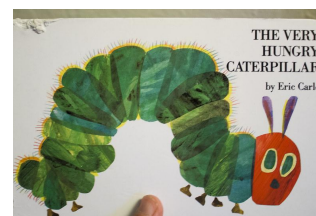

Week 1: June 3 – June 7

Passport to the World: We will travel to different countries around the world and discover their stories, culture, music, dance, and art, while learning what makes each **culture** unique and what we might have in common.

Week 2: June 10 – June 14

Story Theater: We will re-create “The Hungry Caterpillar” and make props, cos, set, and characters. We will culminate with a performance for families!

Week 3: June 17 – June 21

Nature Explorers: Create art and crafts and play fun games! Campers will be immersed in the natural world right in our backyard.

Week 4: June 24 – June 28

Ocean Week: Curiosity will soar as we kick off an exciting week of discovery and learning about the ocean and ocean life. We will transform our environment into the ocean by singing songs and creating arts and crafts.

Week 5: July 1 – July 5 Celebrate America’s Birthday

We will travel our country with virtual visits to national parks, and learn about the states and fun facts!

Week 6: July 8 – July 12

Young Zoologists: Discover a variety of animal species and their habitats. Learn to respect all creatures in the animal kingdom. We will explore habitats around the world, from deserts to rainforests and everything in between!

SUMMER 2 SESSION

Week 7: July 15 – July 19

Movers and Shakers: Get moving and get healthy with this exciting exploration of exercise and fitness. Begin the day with yoga on the field! We will play games like soccer, bean bag toss, and sack races.

Week 8: July 22 – July 26

Story Theatre: We will re-create “The Three Little Pigs” and make props, costumes, sets, and characters. We will culminate with a performance for families!

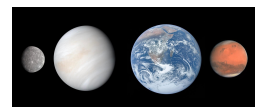

Week 9: July 29 – August 2

Science Squad: Enter the lab and do some experimenting as you learn all about the Scientific Method.

Week 10: August 5 – August 9

Air and Space: We will explore our earth and outer space! We spend the week exploring the planets, moon, and weather.

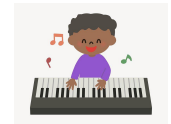

Week 11: August 12 – August 16

Art Expo: Gain an appreciation for different art forms while you explore a variety of mediums and modes of expression, from Found Art objects to clay. Express yourself and use your imagination and creativity.

Week 12: August 19 – August 23

Talent Show: We will explore various forms of performance art.

The campers will have fun performing for parents and fellow campers . . .

Your child will look forward to each day with these special activities and a host of other ones.
